

# THE DUE DILIGENCE PROCESS

At Uyolo, we care about Impact and Transparency. That is why all organizations undergo a strict due diligence process to ensure donations go to trustworthy organization doing the best job! What are the steps and what information to provide as a non profit organization?

We select high-impact non-profit organizations committed to make a difference in their community while supporting the Global Goals (the UN Sustainable Developments Goals)

## STEP 2: RECEIVE THE UYOLO CERTIFICATE

The Certificate of Completion attests that your organization has been successful in meeting the Uyolo Fund's requirements in term of Transparency, Governance, Accountability and Impacts towards the Global Goals

## STEP 1: APPLY

Fill in a short application form to provide general information about your mission, the team, the problem you're trying to solve, the activities you conduct to solve the problem, your impact.

Provide legal documents that prove the non-profit status and other documents such as the latest financial and annual reports that will ensure we can guarantee all users full transparency and accountability.

Before certifying the organization, additional checks are being conducted through official authorities, and when necessary, with a site visit.

## STEP 3: SIGN THE PARTNERSHIP AGREEMENT

Review our Partnership Agreement and provide us with the last details including your banking information so we can on-board your organization on the app's payment system.

## STEP 4: JOIN THE COMMUNITY ON THE UYOLO APP!

You are now ready to create your Uyolo Account, receive donations and make impact in your community!

This is when the fun and fund-raising can begin!

## STEP 5: FILL IN THE IMPACT REPORT

Uyolo is committed to being 100% transparent with its community. Once a year, you will fill in the Uyolo Impact Report, which will help the Uyolo community and your network to know how the donations you received are spent and how they make an impact!
